Jl. Samudera Passai, Kota Timur, Kota Gorontalo

I am a dedicated student pursuing a degree in Computer Science at Gorontalo State University, with a strong passion for Front End Web Development. Proficient in utilizing JavaScript frameworks such as React JS, I actively engage in building interactive web applications. I firmly believe that compelling design and intuitive interfaces play a pivotal role in creating exceptional user experiences.

Work Experiences

Sinar Galesong Mandiri - Kota Gorontalo, Indonesia Feb 2020 - May 2020

On The Job Training

PT Sinar Galesong Mandiri Gorontalo is one of the companies engaged in the transportation industry. It takes advantage of business opportunities to establish a company that can fulfill the community's needs for transportation facilities with both credit and cash sales systems.
